Dear Wine Direct Shipper Licensee:

Due to a recent law change in Iowa, the tax reporting schedule for Wine Direct Shipper license holders is changed from monthly to twice a year.

Therefore, direct shippers are not required to file a monthly (July) report by August 10. The next report due to the Iowa Alcoholic Beverages Division will be for the July through December period and will need to be filed by January 10, 2016. Following that, the next reporting period will be for January, 2016 through June, 2016 and will be due July 10, 2016.

We appreciate your cooperation and trust that this modified schedule meets your needs and expectations. Please feel free to contact Leisa Bertram at 515.281.7370 or bertram@iowaabd.com should you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Robert Bailey".
